Worst Adminstration

of all time? Don't know 'bout that.
Ferocious competition. And you'd
have to look into what kind of
a jackass congress carrried them,

and which judges winked. But
biggest brass balls? No contest.

They say "Hey we've got it pretty
far up there now, to the last barb.
Are your eyes watering yet?"
Say yes, or they'll break it off.
